

# MARTINE DUBIN COMPANY

NEW YORK, NEW YORK / WASHINGTON D.C. / SEPTEMBER 2021

Now available for streaming and sale: Life Cycles, the newly released docu-series follows one of the most recognized faces in the modeling world, Frederique van der Wal, from from Alphabet City to Tribeca to Hotel des Artistes, unveiling the intimate moments and stories of her unique friends, some of the most prominent figures in New York City for a feel-good human interest series showcasing both lighthearted moments and serious subjects.

Actor Griffin Dunne, fashion designers Badgley Mischka and Nicholas K, renowned architect Winka Dubbeldam, influential art and fashion luminary Beatrix Ost, singer-songwriter Marieme, and celebrity hairstylist Frederic Fekkai open up their homes, salons, showrooms, and fashion shows for a candid look into their lives, work, dreams and experiences.

This series is available for streaming on the subscription-based online TV Network and App, CORE.

ABOUT CORE | CORE is an online TV Network and App (iOS, tvOS and Android) streaming exclusive original shows, movies and practices around life's core values to spark imagination and go beyond the mainstream narrative. Thought-provoking conversations, worldly expeditions, real-life narratives, exploration of new innovations, lectures and dynamic practices. CORE provides carefully curated segments, ad-free with no political agenda to viewers worldwide for devices with digital or mobile Wi-Fi connectivity.
