

MAY 2016 HEALTHWIRE.FM releases Satsangh, community gatherings hosted at ABC Home's Deepak Homebase. In the 7 part series, Deepak Chopra provokes a dialogue & meditation with a 250+ audience in an effort to soothe our contemporary anxiety with the greatest questions of our time. During the century when humanity is facing difficult, painful, and mysterious questions, a sacred conversation is more relevant than ever.

Produced by Martine Dubin & Paulette Cole and with original music by **Moby**, Dr Chopra shares the mic with academics **Dr Rudy Tanzi, Michael O'Neill, Eddie Stern, Josh Fox, Rabbi Ilan Askenazi** and **Rabbi Ingber**, allowing for topics varying from climate change, neuroplasticity & epigenetics, Judaic & Vedic cognition, collective consciousness to take center stage.

Deepak Chopra *Satsangh gives me the ideal stage to discuss and share the absolute truth. At a time when humanity is so connected yet so unattached with the world, Satsangh illustrates the role of a sacred conversation for our inner peace and tranquility.*

Martine Dubin *I am honored to be instrumental in spreading deeper knowledge around a better global mindset, peace and spirituality, to our viewers through the Satsangh series.*

DEEPAK CHOPRA Dubbed as one of "The top 100 heroes and icons of the century" and credited as "the poet-prophet of alternative medicine", by Time Magazine. Deepak Chopra is the author of more than 75 books with twenty-one New York Times Bestsellers, published in more than 35 languages. He is also a Distinguished Executive Scholar at Columbia Business School, an Adjunct Professor Of Executive Programs At The Kellogg School Of Management, A Fellow Of The American College Of Physicians, A Member Of The American Association Of Clinical Endocrinologists, and A Senior Scientist at The Gallup Organization.

MOBY Moby is an electronic singer, songwriter, DJ & photographer. He has sold 20+ million albums worldwide, and co-written, produced, and remixed music for Michael Jackson, David Bowie, Daft Punk, Brian Eno, Pet Shop Boys, Britney Spears, New Order, Public Enemy, Guns N' Roses, Metallica, Soundgarden and his music was featured as the soundtrack of many movies incl. The Bourne Identity and James Bond's Tomorrow Never Dies.

MARTINE DUBIN is a media entrepreneur. She is the vision behind multiple original productions and passionate about redefining media by means of producing honest and relevant content that contains no hidden agendas. Her company has also created original series with NYC's Lincoln Center Institute, John Hendricks' CuriosityStream.com, NATO and Ashoka Foundation. Martine is in addition the founder of the digital broadcast networks NEWSWIRE.FM & HEALTHWIRE.FM.

PAULETTE COLE & ABC CARPET & HOME - CEO and Creative Director of abc carpet & home, Paulette Cole envisioned the love in action series as a vehicle to engage social action around these critical causes. Elevating abc as a platform for positive change, she and the abc team created Deepak Homebase, a center to integrate the elements of healing, education, sanctuary, theatre, art, and mindfulness. As Deepak Homebase continues to host a myriad of groundbreaking events, abc carpet & home continue to champion commerce as a vehicle for insight and for action. www.abchome.com
